

ABOUT ME

Dedicated and passionate English teacher with 1,5 year of experience at the university level. Committed to fostering a dynamic and engaging learning environment that promotes students' critical thinking, language skills, and appreciation for literature. Seeking to leverage expertise in curriculum development, student mentorship, and innovative teaching methods to contribute to academic excellence and student success at Nordic International University. Known for the ability to create inclusive and dynamic learning environments that foster critical thinking, creativity, and a love for literature. Strong commitment to student success, excellent communication skills, and a passion for lifelong learning. Ambition to continue evolving as an educator by integrating cutting-edge pedagogical strategies and technology into teaching. Goals include pursuing research opportunities in contemporary English literature, developing innovative teaching methodologies, and mentoring students to become thoughtful and effective communicators.
